## II. GAME CONTROL

**Control Pad  
Arrows:**

Move the Star Ship in the indicated directions.

**Button A:**

Causes both the Star Ship and the firing device to fire.

**Button B:**

After the Star Ship comes into contact with the Device Carrier, Button B can be used to attach or detach firing devices to and from the Star Ship's front or rear. (To attach: Push Button B to enable magnetization of firing device towards the Star Ship and move the Star Ship behind or in front of the firing device before contact. To detach: Simply push Button B to launch firing device.)

**Select Button:**

Moves the cursor to select options on the screen.

**Start Button:**

Starts the game. The Start Button is also used to freeze the game during play.

## III. GAME MECHANICS

LIFE FORCE  
GENERATOR

You are the captain of a metamorphic Star Ship. Loaded with power and determination, you slice through enemy formations. Every time the Star Ship sustains any damage, it will transform into a different ship. Be careful though, for your Star Ship will explode when its metamorphic capabilities run out.

At the end of each world, you will face a sizable enemy. Your best bet is to reserve your metamorphic abilities and to obtain proper weapons before these confrontations.

**Life Force Generator:** Brings you full metamorphic power.

STAR GATE

**Star Gate:** You will earn an additional ship by going through this gate.

## IV. FIRING DEVICES

DEVICE CARRIER

GAMA DEVICE

PHOTON  
DEVICE

There are many helpful devices which you can use along the way. The most potent of them are the firing devices. To obtain these devices, you must search and connect with the device carrier. Firing devices give you a lot of added power and there are several ways to use them. As a detached firing station, it can break up enemy formations before they reach your ship. As an attached firing device it gives you concentrated firing power. If you learn how to attach the same device behind your ship, the device fires at enemy ships approaching from the rear.

Device Carrier: Attach Star Ship to activate firing devices.  
Gama Device: Gives you an extra line of firing.  
Photon Device: Gives you two extra lines of firing.
